

# Voice to the Village

Reaching Villages with the Message of Hope

## Anchorage Native Assembly

Our time as Interim pastors at Anchorage Native Assembly ended in April. We are happy to transition in the new pastors Phillip and Amy Boswell. This wonderful church has great days ahead.

## Alaska Trail Ministry

We are making plans for this next winter. We are considering the possibility of acquiring a rv/trailer to use as a **Mobile Chapel**. Please let us know if you would like to come join us or give towards this outreach ministry held during Dog Sled races and Snow Machine events in Alaska.

This pic reveals the footprint of major races.

We have a number of events across the state to target. Several have not set dates yet and may end up

overlapping others. Here is the complete list we are praying over:

- Knik 200 - January*
- Copper Basin 300 - January*
- Kuskokwim 300 - January*
- Northern Lights 300 - January*
- Yukon Quest - February*
- Tustumena 200 - February*
- Iron Dog - February*
- Iditarod - March*
- Arctic Man - April*
- Kobuk 440 - April*

## Camp Agaiutim Nune

The end of May we delivered the Skid Steer to the barge company in Nenana.

This addition will be a tremendous blessing once we get it out to camp.

I traveled to Emmonak after the barge arrived to organize and stack the building materials. All smaller items that were accessible were temporarily stored in the container located in Emmonak.

## Prayer Needs

- Prayer requests for Camp A.N.
- Safety for workers and students as they travel by air and boat.
  - Spirit of God to move on lives, they would be changed.
  - Protection and wisdom as we start construction on the new facility.

## New Opportunity

• Pray with us for a **media missionary**. Numerous opportunities are available for someone that has and interest in using media to advance the Kingdom of God in Alaska.

## Ministry Partners Needed

Due to attrition over the years, our budget is in need of a boost. We are currently \$933 short of meeting our monthly budget. If you or your church would consider sponsoring us with a monthly pledge or increasing your current pledge, we would be grateful.

We are also available for church services beginning this fall. If you would like us to come and speak or give a report on our ministry please email us @ [thull@voicetothevillage.net](mailto:thull@voicetothevillage.net) or call 907-250-2101.
