

# Voice to the Village

Reaching Villages with the Message of Hope

Fall - 2012

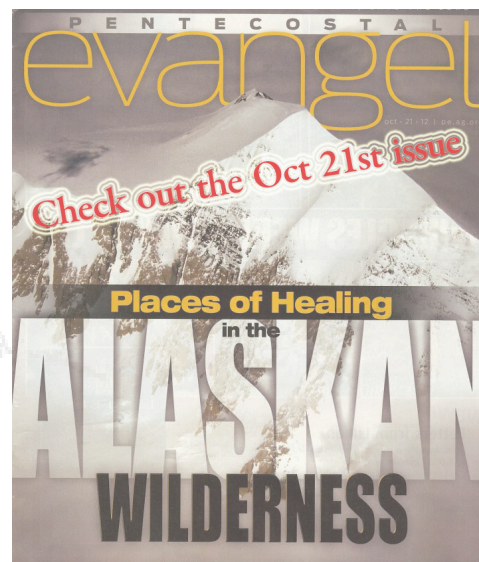

## Camp Agaiutim Nune

The National Girls Ministry Coins for Kids Project this year is Camp AN. <http://ngm.ag.org/>

They are raising funds for a metal building which will house the Camp Tabernacle and kitchen. We are eagerly looking forward to hosting teams next year to help us build this great asset to our camp. We are actively looking for volunteers that have ability and knowledge in construction. If you are interested in a great summer outdoor remote Alaskan construction adventure project, please contact us for a *Work Team Intent Information Form*. Check out the article in the Alaska edition of the PE.

## AKYC

The Alaska Youth Convention was held October 25-27. Youth from all over the state traveled in to Anchorage to attend.

Those that were not able to attend in person, thanks to technology, were able to watch the services live via our internet broadcast with V2V.

## Bethel Camp Meeting

Danean and I traveled to Bethel for Camp Meeting November 5-9. Two Wasilla Masters Commissions students assisted with the camera

setup and filming. A live broadcast feed was sent out for anyone that couldn't make it to camp meeting. What an awesome time of worship led by Heidi Zweifel, morning speaker, Caleb Dotomain, afternoon sessions with Heidi Zweifel and Randy Wren on children's and

youth ministry and evening services with Tiff Shuttlesworth.

## Missions

During the fall season we had opportunities to hold missions emphasis services and speak to

groups about AK Missions. Provided support for monthly AK-SOM simulcasts and other AK Ministry Network events. Participated in the fall U.S. Missions National Field Representative retreat and strategic meetings with fellow missionaries. I have also enjoy serving on the Alaska Missions Team with Supt. Welch and Missionary Lattis Campbell.

## Alaska Missions Recruiting Video

Preparations are well underway for our trip to the World Missions Summit in December. We have the opportunity to be involved in presenting Alaska

Missions to thousands of college students. Please join us in prayer for workers to Alaska!
