Since our last newsletter-

December- We drove the Alcan Highway back to Alaska, arriving on December 10. The

Lord blessed our trip with warmer temperatures of -8 to 40 degrees above. The roads were snow-packed and icy in sections, but all in all we had a nice 7 day drive. With Christmas only 15 days away, it was time to shop for our children and grand-daughters. What fun we had picking out toys for the little ones. It was great to spend the holidays with our family and friends here in Alaska!

End of December into January- We received a call asking us to fly out to the village of Emmonak, where we spent the next 2 weeks ministering. While we were there the temperatures dropped all the way to -33. The villagers use snow machines and 4 wheelers for transportation, and with this extreme cold they were impossible or very difficult to start. Even in the dark, snow and cold people came from all over the village to hear what God had placed upon Terry's heart to share with them.

Mid January took us to southern Florida for previously scheduled itineration services. What a shock it was on our systems to go from the sub-zero temperatures to 80 degrees above. God is so awesome! He has taken us from Alaska to Kansas, Oklahoma, Texas and Florida. We always meet so many new people that are excited to get involved with Alaska missions.

Home for 1 day and off we went to Fairbanks. A supporting church had their annual mission's emphasis Sunday. We were privileged to represent Alaska and hear from other missionaries around the world.

In between all of the times represented above time has been spent with area pastors planning and strategizing Voice to the Village. They are gearing up, getting ready, making plans to broadcast their services into un-pastored villages.

It's a New Year! Because of increased travel prices and various other things, Springfield has sent us a budget revision with a July 31 deadline. This means raising approximately \$800 more in monthly support. So off we go, into churches, sharing Alaska Missions!

Ever asked yourself these questions?

How can I help?

By partnering with us on a monthly basis at www.voicetothevillage.net

How can I increase my monthly support?

Call the US Missions department at 417-862-2781 or fax 417-873-9734 and tell them, they will be glad to help you....and us!

Thank you for your continued prayerful and financial support.
