Greetings from the Hull's,

This fall has been a time of preparation, favor and contention. As we are getting ready for what God wants to do in and through us, we walk in times of favor and contention. The favor of God is awesome, Luke 2:52 *"And Jesus grew in wisdom and stature, and in favor with God and men."* (NIV) I could write pages of the divine appointments that I've had this fall. God has set up incredible opportunities for us. Let's focus a bit on that last part, contention. We find these words in Jude 3 *"Dear friends, although I was very eager to write to you about the salvation we share, I felt I had to write and urge you to contend for the faith that was once for all entrusted to the saints."* (NIV) I'm constantly reminded of the battle we are in. We are attacked physically, mentally and spiritually. But, the weapons we have are **more powerful**. As soldiers, fighting the most important battle of all time, we have to stay on task. Contention can sidetrack us if we let it. We must stay focused in this battle because we are fighting for peoples' eternal destiny.

I attended the Nome Camp Meeting in October.

Missionaries Austin and Jennifer Jones brought some of the teens from Emmonak. (Look familiar? They come to Camp AN.)

These ladies are all from St. Lawrence Island. We may have an opportunity to connect these folks from Savoonga with live church services from Nome. Please let me know if you would like to help finance a project like this.

We have work to do!

Praise God. All the necessary funding is in place to purchase equipment for 2 locations. This next quarter we will be working diligently to get these locations up and running.

Nome, River of Life Assembly of God

Anchorage, Native Assembly of God

Blessings to all...
