Thank you for allowing us to share about Alaska missions. As missionary candidates we are thrilled to present the vision that God created for Voice to the Village Ministries. We hope you are blessed by the following information.

Eleven years ago God birthed a vision to *reach Alaska bush villages with the message of hope*. We haven't yet had the opportunity to personally share with you this vision, but it is possible that you have heard about us and our ministry from other pastors. Please visit our website @ www.voicetothevillage.net for more information or [watch video](#) of what we are doing.

After we have raised our budget we will be working in Alaska using Live 2 way video signals, via Internet and kiosk computers to:

- ◇ *Stream live video from churches with pastors into churches without pastors.*
- ◇ *Deliver Conferences, Workshops and Leadership Training to bush churches.*
- ◇ *Enable pastors to stream live video into un-reached villages to start new church plants.*
- ◇ *Deliver College Level and Institute Level Bible classes into villages to train Indigenous Leaders.*
- ◇ *Participate in a District wide delivery system for shared vision.*

The second part of our appointment is camp Agaiutim Nune, an Alaska District Bible camp in western Alaska for Native children, youth, and families. Located on a tributary of the Yukon River they travel in by boat, from twelve surrounding villages. Some hearing about Jesus for the very first time.

With our itineration deadline rapidly approaching we need your help. Because of increased travel prices and various other things, Springfield has sent us a budget revision with a July 31 deadline. This means raising approximately \$800 more in monthly support. Please prayerfully consider what God would have you to give and take this opportunity to fill out a faith promise form for any amount you can. We have a goal of getting on the field in Alaska by June, and with your help we believe this goal is attainable.

Bless you!

Terry and Danean Hull
