January 07

Greetings from the Hulls,

Happy New Year from the Hull's

Hope all had wonderful holidays. We were blessed to spend Christmas with our kids and grandchildren this year. It was awesome to see our granddaughters open their gifts

We are currently in Emmonak, Alaska filling in temporarily for Philip and Lynn Covlasky, who have done a wonderful job of serving the folks here and taking care of the facilities.

Sunday, December 31 we awoke to -26 Degrees temperature, but people hungry for God's word arrived to a warm Sanctuary. We had wonderful worship and spent time in the Word. We were able to pray with the family who lost their sister due to accidentally drinking anti-freeze. You may have heard of this in the news. Please keep their family in your prayers.

It's been great seeing kids that go to Camp AN. They pass by the church daily. Many were surprised to see us here. One asked "What are you doing here, It's not summer?" I replied "It's not, guess I messed up".

The remainder of January we will be in the lower 48 with services that were previously scheduled. We plan to take a few days off to celebrate our 25th wedding anniversary while we are out.

We are awaiting word for Springfield on our budget revision. In the meantime we will continue laying the foundation to launch live 2 way video connections into Alaska villages.

May you have a Wonderful new year!
