2010 - Open Door

The theme God has been speaking into me since last fall for 2010 is "Open Door." Isaiah 22.22 "I will place on his shoulder the key to the house of David; what he opens no one can shut, and what he shuts no one can open." God has opened great and effective doors for us. He is positioning this ministry into **new areas of influence.**

WebCasts.

We have had great results from live streaming of Special Events this year. A report came in from Emonak that on Wednesday night of the AK Ministry Network Conference they joined the live WebCast. They commented "the presence of God was strong and powerful and we had an awesome time of prayer."

Praise God we can use this medium to reach into Villages across Alaska and beyond!

Healing Testimony

On a recent ministry trip, during the worship service the Holy Spirit revealed to me that a woman behind me to my right had an issue with her throat. I saw a black hole inside her mouth. Later when I called out for this, she responded, came forward to the altar and revealed she had cancer. God's healing power came over her that day! Praise God for His revealing Word and healing power.

For years I have carried the desire to do outreach ministry into Villages along the Dog Sled Race Trails. God

has revealed that Now is the time. These 3390 miles of trails cover a large area. They pass through isolated northern villages. Across a harsh landscape through tundra and spruce forests, over hills and mountain passes, across rivers,

through blizzards causing whiteout conditions, sub-zero temperatures as low as -60 °F and gale-force winds which can cause the wind chill to reach -100 °F.

The conditions can be difficult but we are determined to do whatever we can "that by all possible means I [we] might save some." 1 Cor 9.22

Please contact us if you would like to partner with us in this new venture. Most of all we cherish your prayers. Pray with us that the Gospel would be received in **all** the Villages along these trails.
